

LIVE VIOLENCE FREE

2020 has been a year of great challenges and changes for our organization. At Live Violence Free, we worked hard to continue to meet the needs of our community. Our resilient staff, volunteers, and board members have risen to the challenge and provided stabilizing support to the community and we are here every step of the way.

This year, we made many changes to adapt to the COVID-19 pandemic, including contactless basic needs support, live chat features on our website and social media, virtual prevention and education programming in our schools, telephone crisis response, and socially distanced therapy appointments.

One thing we have learned this year is that crisis and challenges can affect our neighbors at any time. We want to thank everyone who has volunteered their time and who made a gift during these difficult times. Our supporters help to make a real impact on real people every day. We wish everyone a happy and healthy holiday and new year!

With much gratitude,

Mandi Weavil
Board President

Chelcee Thomas
Executive Director
