A MESSAGE FOR OUR COMMUNITY

Dear Friends of Live Violence Free,

As we look back over the past year, Live Violence Free has been very fortunate in the support we have received. We do not take this for granted in these difficult times. Our focus is always to do good work for our community; ultimately making South Lake Tahoe closer to being violence-free and a better place to live.

This year we were able to accomplish so many good things...to name a few:

We completed work at our confidential shelter, thanks to the Warneck project. We now have an updated front entrance, a beautiful deck, and a newly painted building, inside and out, and now are a fully ADA equipped shelter.

We expanded our youth program T.R.I.B.E (Teamwork, Respect, Integrity, Best Self, Evolve) through the Vail Resorts EpicPromise grant. Our T.R.I.B.E program has grown in popularity for its exciting and engaging agenda of outdoor activities and instant camaraderie the participants find with their peers.

We don't want to forget all of our awesome partnerships in the community... Live Violence Free (LVF) values these partnerships like they are part of our LVF Family. We cannot provide those in need the help and assistance to those in need were it not for our partner. Working together with all members of the community helps us come closer to a better world to live in.

As for our future plans, LVF is planning to reach out to the community on a bigger scale through educational programs. We have added three new positions this year that will bring awareness through education and outreach on Domestic Violence, Sexual Assault, Human Trafficking, and Child Abuse to help make sure the most vulnerable among us remain victim-free.

Here at Live Violence Free, we are getting closer every day to building a more peaceful and safer place to live.

On behalf of the Board and Staff of Live Violence Free,
thank you so much for your support.
